

2011 Vin Blancs White Rhone Blend

The rolling hills of Santa Barbara County provide the perfect balance of warm sunshine and the cooling effect from the Pacific Ocean for growing Rhone style varietals. Fruit for our Vin Blancs White Rhone Blend is sourced from top-notch vineyards in this prime growing area. Our Vin Blancs is a careful blend of Viognier, Roussanne and Marsanne.

Our Vin Blancs is a bright, rich wine that first presents a full range of floral notes, honeysuckle and citrus blossom aromas. These carry into the palate and mesh perfectly with ripe nectarine and peach flavors, while the mid palate brings layers of more stone fruit, a sense of minerality and toasted honey. The lush mouthfeel and bracing acidity provide the perfect balance to the wine.

Serve this wine on its own or with any light cuisine.

TECHNICAL SPECIFICATIONS

VINTAGE:
2011

TOTAL ACIDITY (TA):
5.50

VARIETAL:
Viognier, Roussanne, Marsanne

PH:
