

◆ **CHÂTEAU DES GARCINIÈRES**  
*Rosé de Provence 2016*

St. Tropez lies just around the corner from the birthplace of this wine on 44 acres tended by just one family since 1889. Blessed by the same sun and sea breezes as Tahiti Beach, Cap 21, and the memory of Voile Rouge, it embodies the delicate, romantic taste of 50% Grenache, 40% Cinsault and 10% Rolle, marrying the refreshing flavors of strawberry and cherry, mixed with mineral nuances into one glass. Feel free to drink it over ice as many do. It pairs perfectly with seafood, chicken, Asian food, Mediterranean meals and any light dish. *Soft, sensuous, seductive Roses.*
