## WINE COMPETITION

LARGEST COMPETITION OF NORTH AMERICAN WINES

### DOUBLE GOLD MEDAL WINNER

The wine shows aromas of bright cherry and deep plum, as well as pomegranate and cherry pipe tobacco. The tannins are completely integrated and make for a long and lush mouthfeel. The wine exhibits fresh red berry and cola flavors in addition to a lovely, sweet, dark cedar note that all interplay nicely. On the finish there's a bit of tar and baking spice coupled with a floral element that reveals a very powerful, yet elegant wine.
