SPIRITS COMPETITION

GOLD MEDAL WINNER

The blend is composed of 75% Grenache and 25% Cinsault. Vibrant and fresh, aromas of white peach and passion fruit emerge from the glass with a hint of lavender to remind us of its home by the sea. As with previous vintages, the mouth is filled with delicate raspberry and wild strawberry. The hallmark minerality of the wine is persistent thru the lively finish. Crisp and lovely, the striking acidity makes it another perfect example of why all others try to imitate the Rosés of Provence!
